

## Revised rehearsal schedule

Changes made are due to the fact that we have not had a pianist to work with and also that we need to rehearse everything on stage that had only been finished the week before Christmas. It is also due to the fact that we have been missing members of the cast at important rehearsals and are now behind schedule. I apologise to those members of the cast who have been turning up religiously for all the rehearsals. I realise that it is unfair for you but if the pantomime is to be the best we can do then we need all of you to be present at all rehearsals. I really don't want to give the extra time either but it needs to be done, and as you can see some of us are working on Wednesday as well.

Some of the rehearsals will require the soloists to be present to rehearse their music solos at a given time to be arranged as soon as our pianist is available. If there is a time at these rehearsals that you would prefer or that you really can't make then let Barbara know.

Please keep the dialogue fresh over the Christmas period.

Where rehearsals run back to back **please make sure that you bring something to eat**. If you cannot attend a rehearsal please tell Barbara but please don't miss any rehearsals unless it is absolutely necessary...a matter of life or death is the only excuse I will take.

Well done everybody, keep up the good work.

**Barbara.**
